

## About Us

Premiere Dance Academy has been proudly teaching and helping children experience the wonder of DANCE for over 40 years.

The Studio Directors, along with Premiere Dance Academy's wonderful Summer Camp Faculty, aim to ensure that students at PDA develop their dance skills, have a fun filled experience, and feel a sense of community the minute they step into the studio. We are thrilled to have created a dance family here at Premiere, full of like-minded individuals who are all interested in pursuing their artistic skills and working together and enjoying their love of dance.

Premiere's Dance Programs and Dance Camps are continually up-dated to reflect new dance styles and techniques. All the programs provide a wide range of learning opportunities for both Recreational and Competitive dance students.

We look forward to dancing with you this summer!
