

CLASS ATTIRE

As you know, presentation and the overall attire of a dancer, in class and on stage, is a key part of your child's success.

Dancers must dress and look professional for all of their classes. Sloppy clothing, including oversized t-shirt, baggy sweat pants, hoodies, messy hair will not be permitted in class. If attire is consistently disregarded, dancers may be asked to leave class.

We take pride in the professionalism of our students and ask that regardless of age, level, or class, dancers ensure that they look the part when they arrive at our academy for their lessons. *Note: Please ensure that undergarments are not showing.*

Hair must always be neatly off a dancer's face. In all ballet classes dancer's are required to have their hair in a secure bun. It is always good practice to have hair supplies in your dance bag (brush, comb, hair spray, hair net, bobby pins)

As a safety precaution no jewelry is permitted in class aside from small stud earrings. Jewelry such as hoop earrings, bracelets, necklaces, anklets, and watches (other than an a fitness watch) present a safety hazard for all dancers. Dancer's who arrive to class with jewelry on, will be asked to remove it for the duration of the class.

Additionally, some good things to keep in a dancer's dance bag include: band-aids, inhaler (as needed), spare tights, deodorant, feminine hygiene products, socks, and warm clothes in the winter months.

THANK YOU FOR YOUR COOPERATION!

DANCER HYGIENE

As experienced Teachers, Educators, Choreographers, and Adjudicators, we believe that part of this presentation includes dancer hygiene. We say this as delicately as possible: Underarm care is very important for ALL Dancers.

While we understand the importance of keeping children young for as long as possible there does come a point in their dance journey where we can no longer avoid the topic of underarm care. We therefore respectfully ask that you, as parents, please discuss the importance of shaving and managing body odor with your dancer. Body odor is a very normal and natural part of growing up, and typically presents itself around puberty (anywhere from the ages of 7-14, and in some cases earlier or later) Helping your dancer understand the difference between deodorants and antiperspirants as well as how and when to use them is very much appreciated.

ALL dancers should have deodorant in their dance bags from approximately the age of 8 years and up. We do understand that in this day and age, there can be a concern for products and their chemical content so provided below are some alternatives to the regular drug store products (most drug stores though do offer a natural product called TOM'S).

1. Mix coconut oil with cornstarch, baking soda, and your favorite essentials oils for a natural deodorant that smells fantastic (coconut oil is also a great natural makeup remover)
2. Lavender oil - rub 2-4 drops of this oil over the armpit area

THANK YOU FOR YOUR ATTENTION TO THIS MATTER
